Our festive menu is currently being carefully finalised and will be revealed soon. Designed to capture the spirit of the season, it will showcase a traditional Christmas selection, with a choice of three starters, three main courses, and three desserts.

Each dish will be thoughtfully prepared using seasonal ingredients, bringing together classic festive favourites.

Vegan, dairy-free, and gluten-free options will be available, ensuring all guests can relax and enjoy a truly memorable dining experience as part of the celebrations.

All other dietary requirements can be catered for upon request.

Drink Pre-Order

Skip the bar and have your drinks ready on your table for your arrival. The quickest way to get your party started!

We are currently finalising our packages for 2026. This page will be updated in due course.

All drink pre-orders must be paid for no later than 6 weeks prior.

Event Schedule

Set your meeting point at The Factory and let the festivities begin! Our bar will be open and ready to serve your favourite tipples while your group arrives. It's the perfect pre-party pit stop to get spirits bright and the festive cheer flowing.

Make your way to our Great Hall, where you'll be welcomed with a festive arrival drink before taking your seats. Soon after, our live music performance will begin to set the seasonal mood. While the celebrations build, you can grab a drink from the bar or capture some merry moments at our brand-new photo booth as we get ready for food service.

Our fabulous three-course festive feast will be served to your table, so pull your crackers and tuck in! As you dine, our live music will continue with a feel-good mix of classic favourites and seasonal tunes, creating the perfect atmosphere for your guests to enjoy throughout the meal.

Following on from our festive dining experience, it's time to hit the dancefloor! Our incredible DJ will take to the decks, spinning tracks from across the decades, adding in festive favourites along the way. As the night builds, the energy will rise into a late-night party atmosphere.
